## INTRODUCTION

---

Our document library allows subscribers to search for any policy wording or terms and conditions document across all the sectors we cover. We've uploaded thousands of documents all in one easily accessible library.

Click on 'Tools' in the toolbar at the top of the Portal and then on 'Document Library' to load it up.

## FILTERS

---

The document library allows users to filter to see documents from any sector, brand or by a specific type of document.

We've also tagged documents with best practice labels informed by our famous document analysis.
